# CDK2 Rabbit mAb

货号: **AA1504**

## 产品信息

|       |                                                                                                                                           |
|-------|-------------------------------------------------------------------------------------------------------------------------------------------|
| 反应    | Human,Mouse,Rat,                                                                                                                          |
| 宿主    | Rabbit                                                                                                                                    |
| 克隆性   | Monoclonal                                                                                                                                |
| 预测反应  |                                                                                                                                           |
| 应用    | WB IHC IF IP ELISA                                                                                                                        |
| 推荐浓度  | <b>IHC:</b> 1:1000-1:4000<br><b>WB:</b> 1:1000-1:5000<br><b>IF:</b> 1:200-1:1000<br><b>ELISA:</b> 1:5000-1:20000<br><b>IP:</b> 1:50-1:200 |
| 理论分子量 | 34kD                                                                                                                                      |
| 实测分子量 | 34kD                                                                                                                                      |
| 形式    | Liquid                                                                                                                                    |
| 保存条件  | Store at -20°C. Avoid freeze / thaw cycles.<br>Buffer: PBS with 0.75% BSA,50% glycerol,pH7.506.                                           |
| 偶联物   | Unconjugated                                                                                                                              |
| 阳性对照  |                                                                                                                                           |
| 细胞定位  |                                                                                                                                           |
| 纯化    |                                                                                                                                           |
