

2-Hydroxy-N,N,N-trimethylethan-1-aminium iodide

货号: **AYB26895**

产品信息

生物活性	2-Hydroxy-N,N,N-trimethylethan-1-aminium iodide is a biochemical reagent that can be used as a biological material or organic compound for life science related research.
CAS	17773-10-3
中文名称	碘化胆碱,98%
分子量	231.08
体外研究	
体内研究	
形式	Solid
运输条件	Room temperature in continental US; may vary elsewhere.
保存条件	
溶解性	
纯度
