

Bis[1,2-bis(diphenylphosphino)ethane]palladium(0)

货号: AYB26920

产品信息

生物活性	Bis[1,2-bis(diphenylphosphino)ethane]palladium(0) is a biochemical reagent that can be used as a biological material or organic compound for life science related research.
CAS	31277-98-2
中文名称	双[1,2-双(二苯基膦基)乙烷]钯(0)
分子量	903.25
体外研究	
体内研究	
形式	Solid
运输条件	Room temperature in continental US; may vary elsewhere.
保存条件	-20°C, stored under nitrogen
