

5,10,15,20-Tetraphenyl-21H,23H-porphine cobalt(II)

货号: **AYB26942**

产品信息

生物活性	5,10,15,20-Tetraphenyl-21H,23H-porphine cobalt(II) is a biochemical reagent that can be used as a biological material or organic compound for life science related research.
CAS	14172-90-8
中文名称	四苯基卟啉钴(II)
分子量	671.65
体外研究	
体内研究	
形式	Solid
运输条件	Room temperature in continental US; may vary elsewhere.
保存条件	4°C, protect from light, stored under nitrogen
溶解性	
纯度
