

Tetrabutylammonium tetrahydroborate

货号: **AYB27318**

产品信息

生物活性	Tetrabutylammonium tetrahydroborate is a biochemical reagent that can be used as a biological material or organic compound for life science related research.
CAS	33725-74-5
中文名称	四正丁基硼氢化铵
分子量	257.31
体外研究	
体内研究	
形式	Solid
运输条件	Room temperature in continental US; may vary elsewhere.
保存条件	
溶解性	
纯度
