

Tributylbenzylammonium chloride

货号: **AYB27409**

产品信息

生物活性	Tributylbenzylammonium chloride is a biochemical reagent that can be used as a biological material or organic compound for life science related research.
CAS	23616-79-7
中文名称	苄基三丁基氯化铵 250G
分子量	311.93
体外研究	
体内研究	
形式	Solid
运输条件	Room temperature in continental US; may vary elsewhere.
保存条件	
溶解性	
纯度
