

# Neutral red,IND

货号: **AYB27710**

## 产品信息

生物活性	Neutral red,IND is a biochemical reagent that can be used as a biological material or organic compound for life science related research.
CAS	553-24-2
中文名称	
分子量	288.78
体外研究	
体内研究	
形式	Solid
运输条件	Room temperature in continental US; may vary elsewhere.
保存条件	4°C, protect from light
溶解性	
纯度
