

Silver diethyldithiocarbamate

货号: **AYB28154**

产品信息

生物活性	Silver diethyldithiocarbamate is a biochemical reagent that can be used as a biological material or organic compound for life science related research.
CAS	1470-61-7
中文名称	二乙基氨基硫脲银
分子量	256.14
体外研究	
体内研究	
形式	Solid
运输条件	Room temperature in continental US; may vary elsewhere.
保存条件	4°C, protect from light, stored under nitrogen
溶解性	
纯度
