|-------|-----------------------------------------------------------------------------------------------|
| 反应    | Human,Mouse,Rat                                                                               |
| 宿主    | Rabbit                                                                                        |
| 克隆性   | Monoclonal                                                                                    |
| 预测反应  |                                                                                               |
| 应用    | WB ICC/IF                                                                                     |
| 推荐浓度  |                                                                                               |
| 理论分子量 | 91kDa                                                                                         |
| 实测分子量 |                                                                                               |
| 形式    | Liquid                                                                                        |
| 保存条件  | Store at -20°C. Avoid freeze / thaw cycles.<br>Buffer: PBS with 0.75% BSA,50% glycerol,pH7.3. |
| 偶联物   | Unconjugated                                                                                  |
| 阳性对照  | A-549,U-937,U-251MG,Mouse testis                                                              |
| 细胞定位  | Cytoplasm, Mitochondrion, Preautophagosomal structure, Cytoplasmic vesicle, autophagosome     |
| 纯化    |                                                                                               |

## 靶点信息

|       |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |
|-------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 研究背景  | This gene encodes a HTLV-1 tax1 binding protein. The encoded protein interacts with TNFAIP3, and inhibits TNF-induced apoptosis by mediating the TNFAIP3 anti-apoptotic activity. Degradation of this protein by caspase-3-like family proteins is associated with apoptosis induced by TNF. This protein may also have a role in the inhibition of inflammatory signaling pathways. Alternatively spliced transcript variants encoding different isoforms have been found for this gene.[provided by RefSeq, May 2011] |
| 基因ID  | 8887                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |
| 基因名   | TAX1BP1                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |
| Swiss | Q86VP1                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |
