

Dibutyl sulfide

货号: **B26911**

产品信息

生物活性	Dibutyl sulfide is a biochemical reagent that can be used as a biological material or organic compound for life science related research.
CAS	544-40-1
中文名称	二丁基硫
分子量	146.29
体外研究	
体内研究	
形式	Liquid
运输条件	Room temperature in continental US; may vary elsewhere.
保存条件	4°C, stored under nitrogen
溶解性	
纯度
