

Tetrabutylammonium acetate

货号: **B26917**

产品信息

生物活性	Tetrabutylammonium acetate is a biochemical reagent that can be used as a biological material or organic compound for life science related research.
CAS	10534-59-5
中文名称	四丁基醋酸铵 25G
分子量	301.51
体外研究	
体内研究	
形式	Solid
运输条件	Room temperature in continental US; may vary elsewhere.
保存条件	
溶解性	
纯度	≥98.0%
