

Disodium bathocuproine disulfonate

货号: **B27266**

产品信息

生物活性	Disodium bathocuproine disulfonate is a biochemical reagent that can be used as a biological material or organic compound for life science related research.
CAS	52698-84-7
中文名称	2,9-二甲基-4,7-二苯基-1,10-邻二氮杂菲二磺酸二钠盐
分子量	564.54
体外研究	
体内研究	
形式	Solid
运输条件	Room temperature in continental US; may vary elsewhere.
保存条件	4°C, protect from light, stored under nitrogen
溶解性	
纯度
