

Tetrapentylammonium bromide

货号: **B27309**

产品信息

生物活性	Tetrapentylammonium bromide is a biochemical reagent that can be used as a biological material or organic compound for life science related research.
CAS	866-97-7
中文名称	四正戊基溴化铵
分子量	378.48
体外研究	
体内研究	
形式	Solid
运输条件	Room temperature in continental US; may vary elsewhere.
保存条件	
溶解性	
纯度
